Volunteers Needed

Volunteers are needed to lend their time and talent to help make the St. Paul Food Booth at the Junction City Scandinavian Festival a success.

◆ Food Booth

We are looking for volunteers (age 16+) to work the St. Paul food booth during the festival in Junction City. These are 4 hour shifts and time flies when you're having fun!

◆ Shift Leads

If you have worked the festival in the past we are in need of reliable people to be the "go to" during designated shifts.

◆ Pie Making/Baking

Don't want to travel to Junction City? No problem. We need hands to work in the St. Paul Church kitchen to help assemble and bake delicious apple pies , August 9th - 12th .

FPP hours may be applied to the 2017/2018 school yr.
