

St. Paul Parish School 8th Annual Jog-a-thon - Friday, June 1st 2012 Marist Catholic High School Track

DETAILS

There are some exciting changes to our 8th Annual Jog-a-thon!

- First, students will be collecting flat pledge donations this year before the Jog-a-thon instead of “money-per-lap” pledges. No more collecting pledges after the event! They have the chance to earn really cool “foot tokens” and a necklace based on their pledges (details below).
- New! “Lap goal” competition amongst the classes. A prize will be given to classes that meet or exceed their “class lap goal”, and a prize is given for the class that has the highest goal percentage (details below).

Our goal this year, in order to make budget and help keep tuition costs down is **\$22,000.00**. To do so, we are asking each student to collect a minimum of **\$80.00** in flat pledges...but we encourage every student to raise even more!

HERE'S HOW

1. Students (accompanied by an adult) ask family, friends, neighbors, etc., for a flat pledge donation. This is a great opportunity for students to collect money from “outside” sources to support our school.
2. Immediately collect money, put in the envelope and record on the attached pledge sheet. (Checks payable to St. Paul Parish School)
3. Return pledges/money to school in the envelope. Pledge packets will be collected every morning in class starting Tuesday, May 15th through Thursday, May 31st (by noon).
4. Envelopes will be returned to the students at the end of each day with token(s) inside so they can collect more pledges to turn in another morning.
5. All pledges are due by noon on Thursday, May 31st to be eligible for prizes and incentives. Any pledge money received after this deadline is greatly appreciated and will help us reach our school wide goal!

(Students set lap goals with Mr. Harbert in PE class)

As always we strive for 100% participation. This is the one fundraising event that involves the entire student body and a great way for students to give back to their school while promoting health and physical fitness.
