

St. Paul Parish School Preschool Newsletter

Dear Parents,

Happy May Day!!! May is traditionally the month to honor Mary, Jesus' Mother. We honor Mary because she said yes to God's plan. We will be reciting part of the Rosary daily during our class prayer time. Also, during May, we like to honor our own Mothers. Please mark your calendar for May 7th at 10:45 am to attend a short Mother's day sing in our classroom.

This week we are learning about our Crawly Friends - bug, bugs, bugs!

*Big bugs, small bugs, big, bugs, small bugs.
See them crawl, see them crawl.
Creepy, creepy, crawling, never, never falling
Bugs, bugs, bugs. Bugs, bugs, bugs.*

*Thin bugs, fat bugs, thin bugs, fat bugs
See them crawl, one the wall.
Creepy, creepy crawling, never, never falling.
Bugs, bugs, bugs. Bugs, bugs, bugs!*
(Sing to tune of "Frere Jacques")

We will also be planting beans in class. I wonder what will happen?

At the end of the month there will be a Commotion in the Ocean. We will get to explore all the wonderful things in the sea.

God Bless you and have a great week.
Jesus Is In Our Hearts!
