Week at a Glance

In math this week we will be working on understanding subtraction.

In Science this week we will be continuing our unit on gears in our Lego Education Set.

This week in religion we will continue our Stations of the Cross book. Each day we will focus on a different station. We will read, talk, and draw each station that we learn about.

Reminders

We are still collecting for Can-A-Week. Thank you!

Each Thursday of Lent we will be having Popcorn Thursday. If your child would like popcorn please send a dollar with your child on Thursdays. We will be hosting the Popcorn Thursday on April 6th. We will need volunteers to help with popping, selling, and delivering the popcorn.

We have a date set for the Trike-A-Thon. It will be April 27th from 9:45 to 10:45.
