WELCOME TO ST. PAUL PARISH SCHOOL

School Philosophy

St. Paul Parish School is a community deeply rooted in the teachings of Jesus Christ expressed in the doctrine and tradition of the Roman Catholic Church. Students are called to proclaim the Gospel through words and actions. We believe spiritual, intellectual, social, and physical development is fostered through the partnership between home and school. St. Paul Parish School has a comprehensive, challenging curriculum that promotes life-long learning and emphasizes respect, personal responsibility and service.

History

St. Paul Parish and School began as a mission of St. Mary's Church in Eugene. Under the leadership of Monsignor Edmund Murnane, 26 acres was purchased in the North Eugene area in the early 1950's. In July of 1956, the congregation gathered in its first home which consisted of two new classrooms and an area for church services. Classes began at St. Paul Parish School that fall for grades 1 to 4. The following year, two more classrooms were added, the parish boundaries were set, and Father Charles Scott became the first pastor. Beginning in 1957, one grade per year was added to the school so that by September, 1960, St. Paul extended from grades 1 through 8. In 1987, Kindergarten was added. Most recently, preschool and pre-kindergarten programs were added in 2005 to complete the educational program.

Non-Discrimination Statement

In accordance with the Department of Catholic Schools Policies and Guidelines 3020 for admissions, St. Paul Parish School admits students of any race, color, or racial or ethnic origin to all the rights, privileges, programs and activities generally accorded or made available to students at this school. St. Paul Parish School does not discriminate on the basis of race, color, racial or ethnic origin, administration of its education policies, admission policies, scholarship or loan programs, and athletic and other school administered programs.

Telephone

The St. Paul Parish School telephone number is 541-344-1401. It is school policy not to disturb classes during school hours, except in cases of emergencies.

School Hours

Preschool:	8:10 AM – 11:10 AM
Pre-K:	8:10 AM – 11:10 AM
Little Scholars:	11:10 AM – 3:00 PM
K – 4:	8:10 AM – 3:00 PM
Grades 5 – 8:	8:10 AM – 3:10 PM

PLEASE NOTE: Early dismissal takes place every Wednesday at 2:30 PM

Supervision is provided in the gymnasium from 7:55 AM to 8:05 AM. Students arriving on school campus before 7:55 AM will be directed to Before School Care.

Arrival To and Departure From School Grounds

Attendance

All students are expected to be in class as much as possible in order to maximize the educational programs offered. If it is necessary for a student to be absent from school, a parent must call the office by 9:00 AM

According to the state attendance codes, reasons for excused absences or tardies are: personal or family illness, death in the immediate family, or emergencies.

A student may not leave the school grounds at any time during the day without being checked out by a parent through the school office. A parent must come to the main office to sign out a student who is leaving prior to dismissal and also to sign a child back in to school if they return that same day. **If someone other than the parent is picking up the student, written notification by the parent is required before that student will be released.**

Tardiness

Parents are responsible to see that students arrive at school on time. Tardy students create a disruption in the flow of a lesson for the teacher and other students. If a student is late, please send a note with the student explaining the reason for the student's tardiness. If students are tardy 5 or more times in one quarter, parents may be asked to meet with the principal to discuss the issue. Students in grades 6, 7, and 8 will receive one detention for each unexcused tardy in excess of five accrued in a quarter.

Dismissal Times

Prompt attention to dismissal times is very important. Parents who need care for students after school hours should contact Eugene Creative Care.

Should parents wish the school to permit someone other than the parents to pick up their child(ren), that person's name must appear in the "emergency pick up" section of the registration form or a note, signed and dated by the parent(s), must be presented to the school office granting authorization for the child(ren) to be picked up by that person at a specific time on a specific date.

Dismissal for Appointments

Parents are requested to have student medical and dental appointments arranged for non-school hours. If an appointment cannot possibly be scheduled during non-school hours, the parent should send a written note to the teacher providing the time and reason the student will be leaving school.

Extended Absences

Should it become necessary for a student to be absent for an extended period, parents are asked to notify the school at the earliest possible date. **Absences of this type are detrimental to the student's classwork, and should be kept to a minimum.** Family vacations should not impact school time and should be taken in the ample free time available throughout the year. Students on vacation lose valuable classroom instruction time and teachers will not be required to provide and correct make-up work.

Hot Lunch Prices

Grades K–8: \$3.00 (Includes milk)

Extra Entrée: \$2.00 (May be ordered along with a full lunch)

Lunch & Recess Schedule

Grade	Lunch	Recess
K, 1, 2	11:25 - 11:43	11:45 - 12:05
3, 4, 5	11:45 - 12:05	11:25 - 11:43
6, 7, 8	12:10 - 12:30	12:30 - 12:45

Weather/Emergencies

Parents can generally depend on St. Paul following the Eugene 4J school district's directives regarding closure or delayed start times when weather prohibits safe driving. Occasionally, we may need to make independent decisions regarding closures or late starts because many of our St. Paul families drive from outside the 4J boundaries where adverse conditions may affect outlying districts. In all cases of closure or late starts, you will receive a phone call from a school administrator via our phone message system by 6:30 AM or as soon as the determination is made.

Lost and Found

If possible, items which are found will be taken to classrooms for identification. Otherwise, the items will be taken to the Lost and Found bin in the breezeway outside the gym and held there until the end of the quarter. At that time, unclaimed items will be given to St. Vincent De Paul. Please label coats, sweaters, hats, etc. to help avoid confusion.

Emergency Disclosure of Information

The school is required by law to disclose personally identifiable information from a student's education record to law enforcement, child protective services, health care professionals, and other appropriate parties in connection with a health and safety emergency if knowledge of the information is necessary to protect the health and safety of the student or other individuals.

Before and After School Care

Morning care is available in Room 7 from 7:30 A.M. until 7:55 A.M. before school each day. The daily charge for use of any portion of Before School Care is \$3.00 per child. After school care is available by Eugene Creative Care and is held in the Library. They provide care from dismissal until 6:00 P.M., with a snack included. Registration packets are available in the school office or by contacting David Frank of ECC at 541-683-7291.

Visitors/Volunteers

Visitors and volunteers must use the front office entrance, exclusively, during school hours. This procedure is to ensure the safety and smooth operation of St. Paul Parish School. Visitors and volunteers must sign-in and obtain a badge at the front desk before entry to any other part of the facility. Loitering on or about the school property is forbidden by state law.

Background Checks

St. Paul Parish School requires all parents and volunteers, in any school program or activity, to undergo background checks and complete the Called to Protect trainings. Ordinarily any person with an adult criminal conviction is not eligible to serve. The school further reserves the right to decline to accept the services of a volunteer, or to request a volunteer to withdraw from service in school activities whenever, in the judgment of the school, it is in the best interest of the school to do so.

Volunteer Code

Volunteers serve to enhance the school's ability to provide for the students' development and to benefit the school. Volunteers serving in the school will support and model the moral teachings of the Catholic Church and function faithfully within the mission and structures of the school, parish, and Archdiocese with proper respect for those serving in ministries. Volunteers work in a collaborative role with others ministering to the development of the children and the school as an educational institution. Volunteers are asked to recognize **confidentiality** as a living principle and respect the dignity of those with whom they work and come into contact. Volunteers may not contact families in regard to observations made while working in the classroom or any other school-day related capacity, such as, **but not limited to**, lunch duty.

Health

All students entering an Oregon public, private, or parochial school are required to comply with the state health guidelines.

- A. New students entering are required to provide "Evidence of Immunization," or an exemption.
- B. A transferring student is allowed 30 days to provide his/her record to the new school.
- C. Immunization Record must consist of:
 - **Five** DPT or DT • **Four** Polio • **Two** Measles, Rubella, Mumps • **Two** Hepatitis A
 - **Three** Hepatitis B • **Two** Varicella (Chicken Pox) • Tdap booster (7th grade)

Communicable Diseases

In the school environment, many communicable diseases or conditions are easily transmitted from individual to another. Among the most common school restrictable diseases or conditions in students are chicken pox, mumps, and measles. Parents should notify the school immediately if their child has come into contact with or has any contagious disease or condition, such as but not limited to, chicken pox, pinkeye, and/or head lice. A child should not attend school unless he/she is fever free without medication for at least 24 hours.

Medications

The school recognizes that administering of medication by the school to the student may be necessary when failure to take such medication would jeopardize the health of the student, or the student would not be able to attend school if medication were not made available during school hours. Consequently, students may be permitted to have non-injectable prescription and non-prescription medication at school in the office on a temporary or regular basis under school supervision.

Any student requiring medication during school hours must have a parent fill out a medication form in the office. All medication must be in an original container; prescriptions must have a current pharmacy label attached and physician's instructions. Parents are the only individuals from whom the school may accept medication. **No medication brought in by a student will be accepted.**

Unused medication must be picked up by parent/guardian when treatment is complete or at the end of the school year. Medication left at school past the end of the school year will be destroyed.

St. Paul Parish School reserves the right to reject a request to administer prescription or non-prescription medication when, in the judgement of the school, the administration of such medication is not feasible.

ST. PAUL PARISH SCHOOL

DRESS CODE

Philosophy

St. Paul Parish School's dress code is an extension of the mission of the school. It is driven by the belief that appropriate attire facilitates the school's educational mission and displays an image of personal pride. The St. Paul Parish School Advisory Council and St. Paul Parish School Staff expect active and positive parental support. The principal is given discretion for interpreting dress code policy.

School attire should be clean, neat, and modest at all times.

Logos that are less than a 2" x 2" in size will be allowed on clothing.

Acceptable Tops – All acceptable tops must have sleeves and be **solid, striped, or plaid**- no prints of any type (ie. camouflage, polka-dots, etc.)

- Collared Shirts
- Turtleneck Shirts
- Crew neck & V-neck sweaters
 - Must be worn with collared or turtleneck shirts underneath and visible
- All tops must prevent exposure of undergarments and have modest necklines

Sweatshirts and Jackets

- Solid color without printing
- Zip, hooded, and/or crew made of sweatshirt material with a collared shirt underneath
- St. Paul Parish School logo
- St. Paul Parish School sponsored clubs and middle school athletic programs
- Marist High School

**All jackets and sweatshirts will be permissible on the playground and for activities outside the building. Once inside the building, only sweatshirts and jackets that meet the criteria listed above will be permissible.

Acceptable Pants –

- Jeans
- Khaki pants & dress pants
- Capris
- Waistlines of all pants or shorts are expected to be worn above hip level with all undergarments completely covered
- Pants may not be oversized
- Walking shorts which are at or above the kneecap, below mid-thigh, and hemmed

***Gym/athletic shorts (including lycra, spandex, or sweat material), cutoffs, sweatsuits, yoga pants, camouflaged, fatigues, overalls, and clothing that is dirty, or with tears and holes, are not considered appropriate school attire.*

Dresses and Skirts –

- May not be more than 3 inches above the kneecap
- Dresses do not require collars
- Tights, stockings, nylons and leggings are allowed to be worn with dresses and skirts

Hairstyles –

- Student hairstyles should be neat and clean
- Extreme variations are unacceptable
- Only the hair color which grows naturally from the head will be permitted
- Heads should remain uncovered inside the school buildings
- Boys: The length of hair may not fall below a standard shirt collar.
The front of the hair may not fall below the eyebrows.

Shoes –

- Safety concerns require closed-toe, closed-heel shoes or sneakers at all times, including Mass days

Earrings & Tattoos –

- The wearing of earrings is permitted for girls only and is limited to one stud-style earring per earlobe
- Visible tattoos are unacceptable.

Mass Dress –

It is customary to show increased attention to student dress on special occasions, such as Masses and prayer services. Students should wear dress-up attire, such as skirts and dresses for girls, slacks and dress shirts for boys. Jeans and shorts are not appropriate for these occasions.

Relaxed Dress Days–

All expectations are the same as Dress Code with the following clarifications for Relaxed Dress:

- Approved: Non-collared shirts with sleeves; sweatshirts and jackets with school-appropriate messages and logos
- Approved: Loose fitting sweats; athletic shorts of modest length (mid thigh to knee cap); running shorts must be worn with tights; yoga pants/leggings may only be worn with shorts
- No pajamas

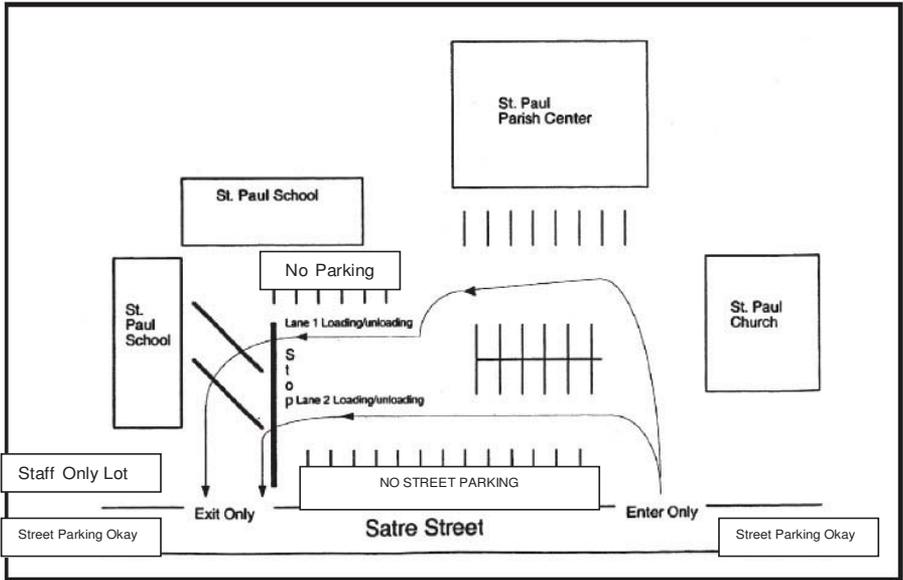

SAFETY

FRONT PARKING LOT PICK UP PROCEDURES **(Middle School Students and Siblings in Grades K-5)**

- All Middle School students are picked up in the front parking lot after school. Students will remain with their class and teacher until they are picked up.
- If a family has lower and upper wing students (K – 4th), the lower wing student(s) are picked up in the front parking lot with the upper wing students.
- Upper wing students are dismissed at 3:10 PM everyday except Wednesdays, which is 2:30 PM.
- Students need to be picked up no later than 3:15 PM or 2:40 PM on Wednesdays. Students not picked by these times will be escorted to the front parking lot until a parent/guardian can be reached.
- A note to the teacher is required if your child will be picked up by someone else.
- Students are loaded in Lane 1 & 2 loading zones only – **SEE MAP on Page 2**
 - A staff member will direct students to their vehicle.
 - If the student(s) are delayed, parents will need to exit the front of the line and circle around back in line.
 - Parents should remain in their vehicles at all times. No vehicle in line should be left unattended under no circumstances.
 - Lane 1 cars must turn right; Lane 2 cars must turn left. No Exceptions.
 - Please keep Satre Street uncongested as possible.
 - There is **NO PARKING** in the area in front of the school between the entry and exit driveways and in undesignated areas (yellow curb) during pick up times to allow departing vehicles greater visibility.
 - If you need to park on Satre during pick up, please park along the front of the church or to the West of the staff parking lot.
 - For the safety of our students, please do not pick up your student or park in the staff parking lot located west of the upper wing.

BACK PARKING LOT PICK UP PROCEDURES (PRESCHOOL – GRADE 5)

- All students (Preschool – Grade 5) who do not have a middle school sibling, will be picked up in the back parking lot after school.
- We encourage families to use the loading zone to pick up their children.
- Students will be lined up by grade and will remain with their teacher/class until they are picked up/released to a parent/guardian.
- Parents/Guardians are responsible for their children once they are released to them. For the students safety they must be supervised at ALL times. In respect to the parish, please keep children out of flowerbeds and off the rocks.
- Vehicles need to stay to the right when entering/leaving the back lot due to the narrow drive way. Please be courteous and allow cars to exit to avoid back up. (See map on page 2)
- After entering, proceed in a single direction around the perimeter of the lot.
- The loading zone is in front of the Parish Center. Vehicles must be in single file along the loading zone near the Parish Center.
- Students will be checked off by their classroom teacher and directed to their vehicle by staff.
- Please use the designated crosswalk to get your child to the parking lot safely.
- Staff member will protect the crosswalk. Please listen for their instructions.
- Once your student(s) are loaded, please wait for the vehicles ahead of you to move before proceeding due to safety reasons.
- Parents will need to pick up their student(s) and escort them to the vehicle. Students will NOT be permitted to walk to their parked vehicle
- A note to the teacher is required if your child will be picked up by someone who is not listed on your emergency form in the office.
- Parking is available in the CENTER SPACES and SOUTH SPACES ONLY.
- There is NO PARKING along the sidewalk closest to the Church, including the handicapped areas and in the first row of spaces closest to the Parish Center.
(See map on page 2)
- Preschool- Grade 4 students are dismissed at 3:00PM. Grade 5-8 are dismissed at 3:10 PM everyday except Wednesdays, which is 2:30 PM.
- Students need to be picked up no later than 3:10 PM or 2:40 PM on Wednesdays. Students not picked by these times will be escorted to the front parking lot until a parent/guardian can be reached.

Emergencies/Emergency Procedures

- A. Parents are notified immediately of serious injury or illness that occurs during school hours. Parents are required to keep the emergency information current. Please notify the office of any changes, as soon as possible.
- B. Each room in the school is supplied with an Emergency Procedures Handbook which details the appropriate responses to different types of emergencies. In accordance with State and Archdiocesan requirements, fire, earthquake, lockdown, and other drills are conducted periodically to practice and evaluate safety procedures.

Search and Seizure to Protect Students and School Personnel

Lockers, desks, and personal belongings are subject to search at any time by school administration or teachers. This is for the protection of students and school personnel. Lockers, desks, and any other storage areas at the school remain in the possession and control of the school even though they are made available or assigned for student use.

Bicycles

Students are encouraged to ride their bicycles to school. However, upon arriving on school grounds, students should dismount and walk their bicycles to the bike rack. All bicycles should be chained to the available bike racks during the school day. After dismissal, students should walk their bicycles until they are off of school grounds. The wearing of helmets is mandatory for students who ride their bicycles.

For liability and insurance reasons skate boarding, roller skating, roller blading, and scooter riding are NOT permitted on school grounds.

Leaving School Grounds During the School Day

No student may leave the school grounds during school hours without the permission of the principal and written authorization of a parent.

Reporting of Suspected Child Abuse

The Child Abuse Reporting Law (ORS 419B.005 to 419B.045) was enacted to identify children who are victims of abuse or neglect and to provide services needed to assist caretakers in resolving problems underlying such abuse or neglect. School employees, due to their work and frequent contact with children, are classified as “mandatory reporters.” If a staff member, in either a professional or personal capacity, has a reasonable cause to believe that any form of abuse (physical abuse, neglect, mental injury or emotional maltreatment, threat of harm, sexual abuse, sexual exploitation, fatality) has occurred then s/he is required to make a report to proper civil authorities.

ADDENDUM

Asbestos Letter

St. Paul Parish School

September, 2016

Dear Parents, Teachers, Staff and Building Occupants

Uncontrolled asbestos contamination in buildings can be a significant environmental and public health problem. Both the public and private sectors have been dealing with the asbestos issue for many years. In 1986, Congress enacted the Asbestos Hazard Emergency Response Act (AHERA) primarily to require school districts to identify asbestos-containing materials (ACM) in their school buildings and take appropriate actions to control the release of asbestos fibers. In 1987, the U.S. Environmental Protection Agency (EPA) finalized a regulatory program which enforces the AHERA.

In compliance with the AHERA regulations, we had our school facilities inspected by an EPA accredited building inspector. During the inspection, samples were taken of building materials suspected of containing asbestos. The results of the inspection and laboratory analysis of the samples have confirmed the presence of ACM in portions of the school facilities. It is important to note that these materials are in a form and condition that does not pose a health threat to students, faculty or employees.

With confirmation of the presence of ACM, an Asbestos Management Plan was developed for our schools by an EPA accredited management planner. The Management Plan includes the inspection and physical assessment reports, the training program for our custodial and maintenance personnel, the plans and procedures to be followed to minimize disturbance of the asbestos-containing materials, and a program for regular surveillance of the ACM. Every three years, a re-inspection by an accredited inspector must be conducted on all friable and non-friable known or assumed asbestos containing building materials (ACBM) to determine whether the condition of the ACBM has changed and to make recommendations on managing or removing the ACBM.

During the 2016/17 school year we will conduct a **three-year re-inspection** in the fall of 2016 and a **periodic surveillance inspection** in the spring of 2017 to check the condition of the asbestos and to determine if any action is needed.

For further details on the locations of the ACBM or on the asbestos activities, you are welcome to review a copy of the Asbestos Management Plan in our school administrative office during regular office hours. Mr. David Hodgin, Risk Management/Environmental Coordinator of the Archdiocese of Portland, is our asbestos program coordinator and all inquiries regarding the plan should be directed to him at (503) 233-8313.

Sincerely,

Kelli Braud
Principal

ST. PAUL PARISH SCHOOL

IPM PESTICIDE MANAGEMENT PROGRAM 2016-17

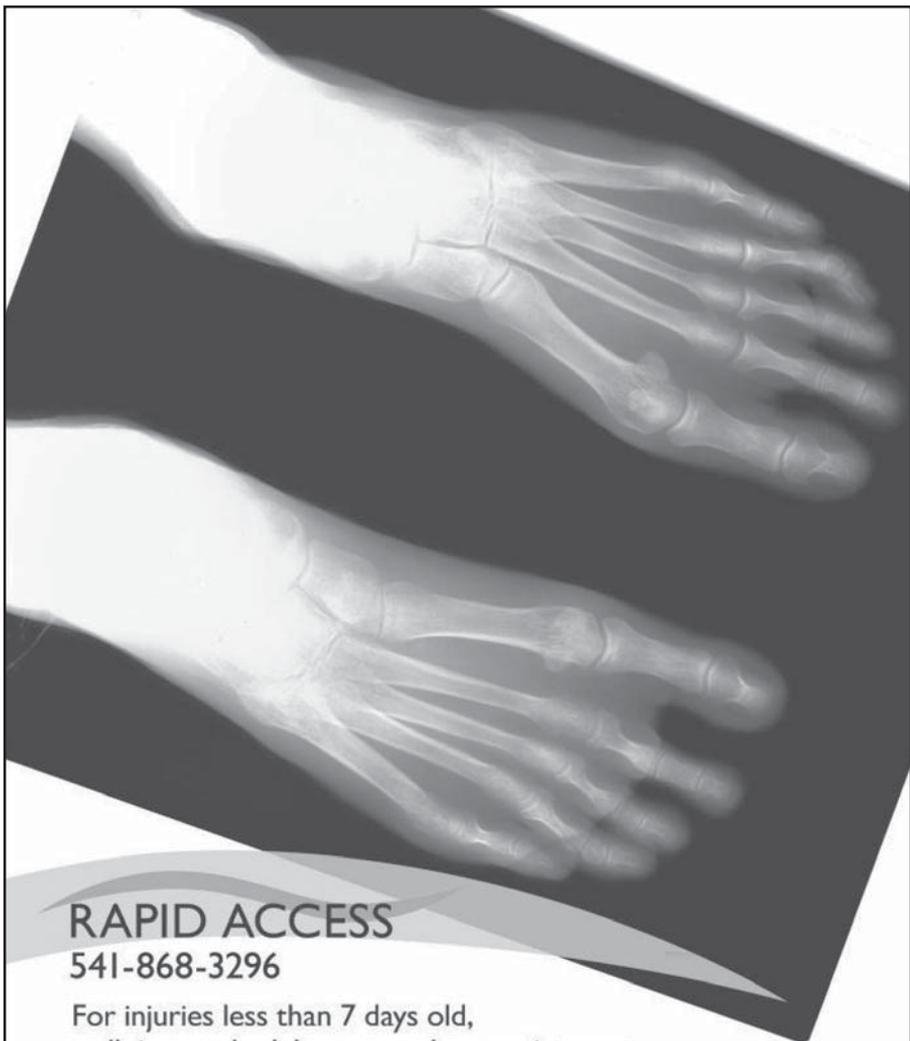

To the Parents of St. Paul Parish School students:

This letter is to inform you of the Integrated Pest Management (IPM) law enacted on July 1, 2012 that Oregon schools must abide by (ORS 634.700-634.750). We are required to notify staff, students, and parents anytime there is a scheduled application of a pesticide on campus. In that notification you will find expected application date, name of the pesticide being applied, the EPA registration number of the pesticide, and other information. You will find our IPM plan on the St. Paul Parish School web page along with a notification of any planned pesticide applications. Our web address is www.saintpaul-school.org

For each application of a pesticide – inside or outside – we are also required to post in the vicinity of the application on campus. On occasion you may see signs posted informing you of a pesticide application at school, but please be assured that we are doing everything we can to keep these applications to a minimum and only using the safest of products to achieve the expected results. There will be contact information on the application posting signs of who you can call if you ever have questions about what is going on or what products are being used.

An OSU faculty member with expertise in pesticide toxicology has reviewed all of the pesticides that we use, and they meet the requirements of a “low-impact pesticide” as defined by ORS 634.705 (5). They never have a label category that is higher than Caution, and contain no known carcinogens. You can find a copy of the approved list of pesticides at the following web page: http://www.ipmnet.org/tim/IPM_in_Schools/IPM%20Materials/8-5-13_Low-Impact_Pesticide_List.pdf If you have any questions or concerns about these products, I encourage you to contact the National Pesticide Information Center at <http://npic.orst.edu>

I would also encourage you to review the entire OSU School IPM program at http://www.ipmnet.org/tim/IPM_in_Schools/IPM_in_Schools-Main_Page.html to see what we are doing and how we go about improving the condition of our schools to create a healthier environment for your children. It is all about educating, communicating, and eliminating pests through cleaning and organizing our environment. We are sealing up our buildings, eliminating clutter, keeping food in plastic storage containers, eliminating leaks and drips in our plumbing, properly pruning our landscaping, and being more thorough in our cleaning efforts. Through these action we are eliminating the three things that pests need to survive: food, water, and shelter. We are also providing a healthier learning environment for your children, and saving the school precious dollars that would otherwise be spent on pesticides.
