Thank you to everyone who volunteered to help in the classroom. Ms. Collins and I are looking forward to working with you.

Week at a Glance

Today the reading folders went home. Please work with your child on these each night and send them back to school the next day. Once your child gets all of the items correct in their folders 3 times **at school** new cards will be added to your child's folder. Please make sure to date and indicate with a + if your child got the card correct or a 0 if your child was incorrect on the card. This program is a great way to connect home and school. Thank you for your participation in the program.

Reminders

Today raffle tickets were sent home. Please make sure to read the information in the packet. Our goal is to have 100% participation from the kindergarten class by selling 5 tickets each. 100% of the proceeds go straight to the school. Thank you for your support!
